Welcome to Bright Sparks

This is an introduction to our setting with all the information we feel you will need while your child is with us. If there is anything else you would like to ask us, please feel free to phone and ask at anytime. We have an open door policy to all parents and carers.

Home visits, settling in and collection

To help your child settle quickly into Bright Sparks routine, we will visit at home, wherever possible, so your child sees us in their home environment. We will work out a programme for your child to help them settle into preschool. If your child has problems being left, we will discuss this with you and make a plan to help your child.

Pre School

During your child's registration you will be given a date and time for your child to start with us. Please arrive at this time. Staff will greet you and your child at the main door and ensure that your child is brought into preschool and shown where to put their belongings and where everything is. We ensure that no one is allowed into the school grounds during the school day, unless authorized. If you arrive after 9am please ring the bell outside the main entrance and we will collect your child. You will be asked to sign your child into our care by the staff.

At 12midday the front entrance door will be opened and you may pick up or drop off your child. The door will be locked again 12.10 to ensure your child is safe. You will then be asked to sign your child into and out of Bright Sparks.

Please collect your child from the main entrance at 3pm. Parents will be asked to sign their children out of Bright Sparks. If you are going to be late please ring to let us know. Thank you. A fee will be charged for late collection of your child.

Lunch -You will only need to provide a lunch box if your child is attending the setting for the whole day. We encourage healthy eating in the children's lunch boxes but we would rather your child ate so please put in what they would normally eat at home rather than have them hungry throughout the afternoon. Please do not put sweets, chocolates or fizzy drinks in their lunch boxes. Children are NOT allowed to share food from their lunchboxes as we do have children with allergies. You can request a feeding plan if your child has feeding difficulties prior to your child starting at Bright Sparks.

Please remember we can only give your child to someone who is named on your named person to collect form. Please let us know in advance using your communications book if you wish to add anyone to this list. Thank you.

Please note that if you ring the bell at the main entrance we may not always be able to come straight away as staff members may not be free, but we will come as soon as we can.

If you need to collect your child during the session please notify us using your child's communication book, or by ringing us or ring bell to collect them. Thank you.

PARENTS AND CARER'S SHOULD NOT USE THE SCHOOL CAR PARK TO DROP OFF OR PICK UP YOUR CHILD. PLEASE DO NOT WALK THROUGH THE CAR PARK AS THIS IS DANGEROUS.

Groups –We currently have 1 room which is split into 2 areas, one for our Caterpillars (younger children) and the other for our Butterflies (older children). We, also, run small groups to encourage further learning and development in all children.

Key persons for children aged 2 to 5 years of age

Your child will be assigned a key person. This person will be responsible for collecting observations and assessments on your child. They will work closely with your child ensuring they are settling into the setting and encourage all areas of your child's development. We will always keep in close contact with you and if you have any concerns regarding your child please phone or make an appointment to see us. You will also have been issued with a communications book to use to talk to us. Please use this to ask questions or tell us of any news your child may have.

We have parents mornings twice a year for you to come in to discuss your child's progress and general welfare. We will also send you a written report at Easter time. We are, also, available after 3pm if you would like to stay and discuss your child's progress (please note we may sometimes have to make appointments if we cannot be available straightaway).

The routine of each session changes depending on the season, weather and topic. However we loosely structure the session so your child has equal opportunity to do craft, free play and outside play.

Topics

Each week we cover different subjects at preschool and you will be informed of these at the beginning of each term in our termly newsletter. They are also posted on the notice board.

Your child is encouraged to bring in something on this topic for show and tell. Please ensure all items brought into preschool are named. All areas of learning will be organized surrounding this theme.

Children are discouraged from bringing in anything NOT related to the topic as precious toys can get lost amongst all our toys or another child may play with it which can lead to disputes. We can take no responsibility for any toys brought into the setting.

Sharing Information

We have a Bright Sparks notice board at the front of the building. Please check here regularly for up-to-date notices and details of ongoing topics. You will also find a copy of our Ofsted Registration Certificate and our phone number. We will send you a termly newsletter. You can also find information on our website www.brightsparkspreschool.me.uk. We have a safe and secure online system called 'Tapestry' where we post observations of your child with your consent. This is an interactive site where you can also post observations and comments about your child's development. We also encourage you to speak with our practitioners on a regular basis.

Areas of learning and curriculum

The Early Years Foundation Stage (EYFS) of the curriculum applies from birth to 5 years old. We follow this curriculum to help children reach their early learning goals by the time they start primary school.

There are 7 areas of learning. They are:-

- Communication and language
- Physical Development
- Personal, Social and Emotional Development
- Literacy
- Mathematics
- Understanding the World; and
- Expressive Arts and Design.

Parent help

If you feel you want to regularly help in sessions please notify Anna and Linda that you would like to do this but please note that we may need to obtain a police check before you start. There may be a small charge for this police check.

Parents are also asked from time to time to help on small group outings at short notice e.g. trip to the local shops or post box. This is required to ensure the safety of your child whilst out of the school premises.

If you feel that you, or someone you know, could contribute to the topic of the week please let us know by telephoning us or using your communications book. We love to see you in pre school.

Clothing

Please ensure that all clothing brought and worn to Bright Sparks is clearly labelled with the child's full name. This includes, coats, cardigans, jumpers, hats, gloves, scarves, lunch boxes, bags, drinks bottles etc. We also recommend that children do not wear their best clothes as there will be lots of messy play and despite precautions being taken accidents do happen.

You can purchase a Bright Sparks Pre School t-shirt and/or sweatshirt that can be worn to avoid spoiling your child's home clothes.

Please provide a named pair of indoor shoes or slippers to be kept at the setting during the winter months. This is so that should it be wet walking to school or during outside play your child will not be left in wet footwear during the session.

School bags for Pre School

You will be given a Bright Sparks book bag when you register and pay the administration fee for your child's place (private fee paying parents only). Your child can customize their bag so it is easier for them to recognize as well as reading their own name. The children will be encouraged to put their own work away so it is essential they have these bags. It also gives them a sense of belonging and avoids lost work. Your communication book should be kept in this bag as the staff will check it each time your child is in session to see if you have any messages for us. We will also write messages to you. We discourage back packs as we do not have the storage space, especially in winter when we have so many thick coats and wellies!

Children in nappies

If your child still wears nappies or pull-ups, please ensure your child comes to the setting with a supply of these as well as wet wipes and nappy sacks. A change of clothes is also a good idea. Please label the bags they are kept in if not using your book bag. When your child starts potty training please let us know by writing it in your communication book and we will ensure all staff are aware of and follow the routine you are using at home. We will need to know what your child is using and words they use to tell us they need to go.

Snack times

We encourage healthy living and eating at all times. We have a snack bar that is open from 10am to 10.30am: 2pm to 2.30pm where the children can choose from the healthy snacks available. Our snack times will include a choice of milk and water. The milk will be cold so it may help if you introduce your child to this

before they start with us. We also have a choice of fruit/vegetables /cereal/crackers at each snack time.

Photos and videos

If you do not wish your child to be photographed please tell us in writing as soon as they start at the setting. Thank you.

Accidents

We always have at least two first aid trained staff on duty during each session. If an accident does happen, it will be recorded and you will be asked to sign the accident book when collecting your child. If a serious accident occurs we shall telephone for an ambulance and attempt to contact you as soon as possible. This is why we ask you to sign the consent form for us to call the emergency services.

If there is an incident which we feel should be recorded, such as bullying, fighting, swearing or any aggressive behaviour, we shall advise you of this at the end of the session.

Allergies and medical conditions

If your child has any allergies to ANYTHING or medical conditions please let us know all the details verbally and in writing either in your communications book or in writing in a letter.

Head Lice

Each year we seem to have a period when children become infected with head lice. Once they start to spread, it is very difficult to eliminate them. If your child has head lice we ask you to keep them at home until they are clear. If we notice them at the setting, we will ask you to collect your child. It is very frustrating to treat your child, for them to become re-infected a week later. We have to break this cycle as soon as possible. Thank you for your co-operation in this.

Sickness, holidays and absences

We record on the register each day whether your child is with us each day or where they are if they are absent. This is a legal obligation. We have to monitor absences and let your child's new school know of these absences. We need to know in advance if you plan to go on holiday in term time please let us know by using your communications book. If your child is sick please ring us and you can leave a message informing us of the reason why your child is off. We would also like to know if your child has an infectious disease so we can alert other parents. Fees will only be returned in extreme circumstances such as hospitalization.

Equal Opportunities Policy

All staff will actively promote equality of opportunity and anti-discriminatory practice for all children and their co-workers.

We will ensure that all activities do not lead to any individual receiving less favourable treatment on the grounds of :

Gender (Sex Discrimination Act 1975 and 1986);

Disability (Education Reform Act 1988);

Ethnic or National Origin (The Children Act 1989);

Religious belief, skin colour, Race (The Race Relations Act 1976);

Age and Marital Status.

These will provide our framework for good practice. To ensure we follow these guidelines we will :-

- Encourage all staff to recognize positively the different racial and ethnic variations within the setting;
- Promote awareness of any discriminatory practices (e.g. name calling, teasing or aggressive behaviour) - and developing strategies to deal with them.
- Avoid the use of labels
- Ensure that all children have equal access to equipment and resources
- Treat all parents, children, staff, visitors and carers with respect
- Promote a sense of fair play and respect for all others within the setting.
